SOMETHING TO PONDER . . .

"Grant me the ability to be alone; May it be my custom to go outdoors each day Among the trees and grasses, Among all growing things, And there may I be alone, To talk with the one that I belong to."

TAKE NOTE

If you're reading this publication, chances are that you are a member of Louisiana Spiritual Directors, Inc.; but are you also a member of Spiritual Directors International (SDI)? As an inclusive, global learning community, Spiritual Directors International supports the art and contemplative practice of spiritual companionship through publications, outreach events, educational opportunities, and more. This June, SDI is asking all members to take responsibility for ensuring a bright future for Spiritual Directors International. As people retire, it's important to reach out and invite new members to be a part of the beloved community that is Spiritual Directors International. Do you know a colleague or friend who would appreciate being part of the contemplative movement supported by SDI? You may know soul care providers, clergy, health care providers, educators, or theology students who are not aware that they would be welcome in SDI. Invite them to participate and be encouraged by the

of Spiritual Directors International! We know you're busy, so SDI has made it simple. On your behalf, SDI will invite them during the June Member Drive. Send names and contact information, and SDI will do the rest! It's that easy.

E-mail membership@sdiworld.org before 30 June, and together, we will flourish.
